

# Did you know...

It is now possible to safely recycle electronics in Greater Victoria and Sidney free of charge!

The following are regulated items included in the program:

- Desktop computers,
- Computer monitors,
- Notebook computers,
- Desktop printers and fax machines,
- Televisions.

Items NOT included in the program at this time are:

- Stereos,
- CD players,
- DVD players,
- Cell phones.

When your electronics have reached the end of their life, please recycle them.

For more information on electronics recycling in BC, visit:

[www.electronic recyclingbc.ca](http://www.electronic recyclingbc.ca)
